CORINTH TO RECOUNT POPULATION AT ONCE

CORINTH, Miss., June 2. (Sp.)—At a meeting of the chamber of commerce board of directors it was definitely decided to have a new count of the population of the city. This will be by the direction of the chamber of commerce, and should there appear any material discrepancies in the figures, the chamber and the regular census enumerators, which showed a decrease, then a check will be made at Washington against the names presented by the regular enumerators in January. This count will be as rapid as possible in order to get any correction that might result in the records at Washington.

Mahon, G. L. Jones, Albert Anderson. The first primary will be held on Aug. 17, at which time all will be eliminated except the two receiving the highest vote.

Activities Among Memphis Negroes

By Rev. T. O. Fuller.

BRYAN TO URGE DRY PLANK ON REPUBLICANS

WASHINGTON, June 2.—William Jennings Bryan, in an address before the Bryan Democrats club here last night, announced he was going to the Republican national convention at Chicago to work actively for a dry plank in the party's platform. He would insist that the Democrats nominate an avowed dry candidate for national prohibition. Mr. Bryan predicted that the vote in the Democratic ranks, if they were unable to get a wet plank in the platform, would concentrate their energies in kicking out a dry plank. He declared that the drys, however, were certain to triumph.

FIGHTS FREAK STYLES TO CUT CLOTHING COSTS

CLEVELAND, June 2.—That the government is seeking the elimination of extreme and freak styles in women's wearing apparel as a means of lowering the cost of clothing was revealed yesterday by J. C. Weatherly, of Washington, special assistant of Attorney Palmer, in conference here with President Morris A. Black and members of the Cleveland Garment Manufacturers' association.

Mr. Weatherly, in direct charge of all fair price commissions in the country, said this movement also would tend to reduce the reasonable character of the women's garment industry.

TAX COLLECTIONS SHOW INCREASE AT CORINTH

CORINTH, Miss., June 2. (Sp.)—The last legislature revised and increased the revenue laws to where the privilege income of the state will practically double what it was two years ago. DODSON SOUNDS CALOMEL'S DOOM

The "Liver Tone" Man Warns Folks Against the Sickening Salivating Drug.

"Light" Calomel makes you sick. It's horrible! Take a dose of the dangerous drug tonight and tomorrow you see a day.

Calomel is mercury! When it comes into contact with your bile, it crashes into it, breaking it up. Then is when you feel that awful nausea and cramping. If you are sluggish, if liver is torpid and bowels constipated or you have headache, dizziness, coated tongue, if breath is bad, if stomach sour, just try a special of harmless Dodson's Liver Tonic.

Here's my guarantee—Go to any drug store and get a bottle of Dodson's Liver Tonic for a few cents. Take a spoonful and if it doesn't straighten you right up and make you feel fine and vigorous, go back to the store and get your money. Dodson's Liver Tonic is destroying the sale of calomel because it can not salivate or make you sick.

"It was found that 2,000,000 voters were directly and peculiarly involved in every important step taken by the railroad administration.
